Dear Mr. White:

I had an opportunity to observe Mr. Weisberg on the Joe Pyne show Sunday night. I believe his position is very similar to Jim Garrison's on the assassination. I have seen and reviewed the material he produced on the show, and have one of his books. While there would be no interest in him as a writer for Mr. Hunt, I do appreciate your suggesting him. Sometime if he is in this area, I would like to meet him, and also meet you.

If you have additional thinking about the museum, let me know. I believe the main problem will be finding a location you can buy.

Very truly yours,

Paul Rothermel
